Scottish Women's Football

Application for Youth Player Dispensation

Notes For Applicant:

- Please note that it is recommended that any applications submitted based on a 'medical/physical development' reason should provide independent medical or expert evidence of condition outlined in application
- Please note that for the purpose of calculating the '20 mile radius', the distance from the player's home address to the registered venue of the club will be calculated

Declaration & Signature:

I can confirm that the above information and any supporting information provided with this application are accurate to the best of my knowledge

I understand that players who are granted dispensation to register as an over-age player(s) can only play for the team they have received dispensation to represent for the duration of the season (i.e. 14 year old given dispensation to play U13's cannot move between U13 & U15 league)

I understand that if dispensation is granted to register an over-age player(s), the team may only have one over-age player on the pitch at any given time at U13 level and a maximum of two at U15 level. No over-age players will be sanctioned at Under 17 level

Signature (club official).....
