SEASON 2020

The following pertains to players registered to Full Member & Associate Member Clubs

3. Players may be registered with a maximum of three SWF clubs during one season. During this period, the player is only eligible to play competitive matches for two clubs. As an exception to this rule, a player moving between two clubs belonging to associations with overlapping seasons (i.e. start of the season in summer/autumn as opposed to winter/spring) may be eligible to play in official matches for a third club during the relevant season, provided she has fully complied with her contractual obligations towards her previous clubs. Equally, the provisions relating to the registration periods (Article 6) as well as to the minimum length of a contract (Article 18 Paragraph 2) must be respected. (*FIFA Regulations on Status and Transfer of Players*). Note – the SWF Board reserve the right to review and determine eligibility where there is ambiguity or exceptional circumstances presented
